

# Animal Babies

Spring is here and many animal mothers will be giving birth to their babies. Did you know that baby animals can have different names than their parents?

Try matching the baby or juvenile names (in the yellow oval) to the parent names below:

- Pacific salmon** a \_ \_ \_ \_ \_
- Canada Goose** \_ os \_ \_ \_ \_
- Grizzly Bear or Wolverine** \_ u \_
- Bald Eagle** c \_ \_ \_ \_
- Tundra Swan** \_ y \_ \_ \_ \_
- European Rabbit** \_ \_ n \_ \_
- Red-legged Frog** \_ ad \_ \_ \_ \_
- Moose or Humpback Whale** \_ \_ \_ f
- Mountain Goat** \_ i \_
- Bighorn Sheep** \_ \_ \_ b
- White-tailed Deer** \_ a \_ \_
- Cougar, Canada Lynx or Bobcat** \_ \_ tt \_ \_
- Sea Otter, Harbour Seal or Coyote** p \_ \_
- Red Fox or American Beaver** \_ \_ t
- Monarch Butterfly** \_ \_ t \_ \_ p \_ \_ \_ \_
